

**BRITISH COLUMBIA – CLEAN ENERGY VEHICLE PROGRAM
VEHICLE ELIGIBILITY APPLICATION FORM FOR MANUFACTURERS**

The purpose of this form is to assist the British Columbia Ministry of Energy and Mines in assessing whether new clean energy vehicle models can become eligible for a point-of-sale incentive under the Clean Energy Vehicle Program. For current list of eligible vehicles visit: www.cevforbc.ca. Original Equipment Manufacturers (OEMs) should fill out this form to submit new vehicle models for consideration and forward to the email below.

Date: _____ Company / Manufacturer Name: _____

Representative Name: _____ Representative Title/Position: _____

Representative Telephone: () _____ Representative email: _____

PART A: For vehicle models currently on the list of eligible vehicles (addition of a new model year). Please initial if the following statement is true.

_____ I certify that the vehicles included on the current list of eligible vehicles have not been modified from the vehicles that were previously approved by the Ministry of Energy and Mines for inclusion on the List of Eligible Vehicles including warranty and after sales service provisions.

PART B: For vehicle models not currently on the list of eligible vehicles. Please complete Table 1

Table 1 – New Vehicle application for CEV incentive program eligibility

Model Year	Vehicle Make	Vehicle Model	Battery Size	Gross Vehicle Weight (kg)	Fuel Type (BEV, FCV, PHEV or EV-ER)	MSRP

General Eligibility requirements:

- Fuel Type must be either: Battery Electric Vehicle (BEV), Hydrogen Fuel Cell Vehicle (FCV), OR Plug-in Hybrid Electric Vehicle (PHEV) / Electric vehicle with extended range (EV-ER) with a minimum battery capacity of 4kWh
- Highway capable, 4 wheels, CMVSS certified, covered/deemed covered by EPA certificate in accordance with the ORVEER Regulation
- New, BC registered, OEM vehicle with gross vehicle weight < 6,000kg
- Any types of conversions are not eligible.
